Umusual Feat Is Being Watched With Interest by Tulsa People.

### ON NEW FOUNDATION

Old Catholic School Building Is Sliding Across the Block.

A feat, the equal of which was nev-fr witnessed in Tulsa helore, is now leing accomplished in the moving of the former Catholic parcelual school Pullding from the corner of Third and Elgin to the sorner of Third and Frankfort. Thebuilding is a three story brick structure and workmen have already been engaged more than a Madei Laundry & Dry Cleaning Works ways for the task of moving it.

a circh in the task of moving it.

The contract is being exercised by an Earness City, E.S., concern for Fulso Humer & Sherbert, who purchased the property and building some moneys ago for \$15,000. Before the large building could be moved it was mercusary to build a platform under it.

which work required some time. It Increduciding covid be moved if was necessary to build a platform under it, which work required some time. It is moved by mesors of iron tollers, which are number to run on tailread which are number to run on tailread tracks.

If is expected the building will be placed on the new foundation some time this week. A large force of men have been engaged in moving the by structure. Never before has anythms of the will have been actempted their and the work has been actempted daily by crowds. Not a brick has become foundation as it was before.

The present owners are undecided as to what use the building will be in first one the building will be in first owners are undecided as to what use the building will be covered to when it has been placed. They will spend a considerable sum in making impresentes and putting it in first class shape.

FURNISHED ROOMS FOR RENT FOR HENT-Housekeeping room, 815 South Boulder.

GIIRILS WANTEDS

We employ a large force of young ladies in Tulas Necessarily there are frequent vacaucies due to normal losses. In addition our business is growing very fast, which requires additional people to handle. In a force as large as we employ there are a great many positions of responsibility affording unusual opportunities, for those who are ambitious and have executive ability to advance to something better than the average positions open to girls. Experience is not necessary. We maintain a school in which new girls are prepared for their regular work. Our school is under the charge of a competent young lady principal.

No embarransment need be fell by applicants, as every courtesy is shown those who are not experienced in seeking employment.

The way begins as soon as applicants enter the Training School a students.

Apoly to the Principal of the Training School, Room 300, Pioneer Bidg.
